

## TASIS PLEDGE FOR SAFETY

Upon my return to the TASIS campus, I pledge to follow all health and safety guidelines and regulations outlined by the School and by local and federal authorities. With the understanding that we all share in the responsibility for keeping our community safe, I pledge to make prudent independent choices and commit to do the following:

- Maintain at least 1.5 meters of separation between myself and others whenever and wherever it is recommended both on and off campus
- Wear a mask as directed by the School
- Promptly adapt to any new mask-wearing (or other) requirements
- Wash my hands and/or use hand sanitizer frequently
- Have my temperature checked when I arrive at school each morning
- Not come to school if I feel unwell and inform the School immediately if I experience any cold or flu-like symptoms, including fever, cough, shortness of breath, or other respiratory problems
- Inform the School immediately if I test positive for Covid-19 or knowingly have close contact with anyone who has been diagnosed with Covid-19
- Self-isolate when I am required to do so and follow the guidance of medical authorities
- Cooperate with any contact tracing carried out by the School and local authorities

I understand that we are living in extraordinary times and that the health of our whole community depends on our collective actions. I pledge to be responsible and to do my part to ensure that our return to living and learning on campus is safe and successful.
