## Class Agents needed!

Class Agents are an important link in the TASIS alumni community and help keep it connected and vibrant in a number of ways. They keep in touch with their classmates and encourage them to keep in touch with us eg keeping us updated with their contact info, joining the Tasis Lugano facebook group, and sending news and photos for publication in TASIS Today. Agents also set up their own Class Reunion (the alumni office is available to assist), and encourage classmates to attend All-Class Reunions in their area. Are you already in contact with your classmates? Would you like to be a class agent? We have vacancies for the following classes: 1961, 1964, 1965, 1967, 1970, 1983, 1984, 1991, 1994, 1999, 2000, 2003, 2007. Contact [alumni@tasis.ch](mailto:alumni@tasis.ch) if interested!!

## John E. Palmer Theater Takes Shape

Construction began on the new Theater in the fall. Cranes again appeared on campus, a deep pit was dug and service roads laid out. Walls now climb proudly out of that pit and help us imagine the inner spaces and Shakespeare's *Tempest* which will inaugurate the theater in fall 2009. Click here to see [construction progress.](#)

## Development Director News

Hans Figi '75 will leave TASIS later this spring to take up the position of Director of Development at the prestigious Charterhouse School in Britain, founded in 1611. We are sorry to see Hans go, and take this opportunity to thank him for all his hard work and creative flair over the past three years. We wish him all the best in this new challenge, but know we will not lose touch with him since he will always be a TASIS alum.
